WELCOME

Welcome to all our new and returning players as well as parents/guardians and thank you for joining Tibro's Netball Club for the 2021 season! We as a club, are here to ensure all our players have the best possible experience and enjoy playing netball. All our committee members have many years of experience in the exciting game of netball and we look forward to helping your child and you, have a wonderful and fulfilling experience in 2021.

If you have any concerns or questions at any stage during the year, please feel free to contact any of our committee members or your child's coach.

TIBRO'S MISSION

- a) To develop and train new skills in the game of netball.
- b) To encourage good sportsmanship and fair play.
- c) To involve parents so that they understand the game of their child's chosen sport.

SUPPORT FOR CALOUNDRA, OFFICIALS AND TIBRO'S

- Tibro's Netball Club committee supports the actions and decisions of officials and the executive committee of Caloundra District Netball Association (CDNA). We request that our club officials, players, parents/guardians and supporters to also give their support. Without this volunteer committee there would be no Caloundra Association for us to participate in.
- Support of all umpires and their on-court decisions is essential, especially to junior umpires learning their new skills. If there is a concern during the game, notify the main desk immediately.
- All communication to Caloundra District Association is to be sent via the **Tibro's Club Secretary**.
- If a team is planning to protest, the opposing team captain must be notified at the end of the game of their intentions. The protest is to be issued via email through the **Tibro's Club Secretary**.

News from Caloundra District Netball Association (CDNA) - General Rules

- Keep grounds tidy at all times – USE RUBBISH BINS provided
- Any team that knows they will forfeit their game before Saturday must contact the Association so that the opposing team can be notified.
- NO RUNNING allowed around the perimeter of the courts.
- Please Keep the pathways clear for access around the courts.

Basic Competition Rules

- All players must be registered through Live Score BEFORE they play.
- If a club enters two or more teams in one division, those teams will not be able to draw players from their other club teams in the same grade.
- No player may play in a lower grade than the one in which she was originally registered.
- A player from a lower grade may play in higher grade, in accordance with the CDNA Bylaws clause 8.2, for no more than four (4) games in total throughout the season.
 - Penalty for more than four games; game will be deemed a forfeit.
 - It is the *Club's responsibility* to keep a record of how many times a player has played in a division higher than in which he/she is registered.
- In finals, a team may play a player from a lower grade provided they have played two (2) games with the Club during the season.
- **No** jewellery to be worn whilst playing (includes plastic hair combs) NO EXCEPTIONS.
- Nails to be cut – NOT TAPED.
- Hair must be suitably tied back

Umpiring

- Netball umpiring is not just about enforcing the rules. It is an integral part of the netball community.
- Umpires help keep the game safe, fair, and fun for everyone.
- Not to mention developing personal skills such as communication, resilience, confidence, and leadership.
- Tibro's is required to provide umpires to CDNA to assist with the running of the competition – no umpire, no game.
- We welcome interest from players, siblings, parents or others in becoming umpires. Please email the club at tibrosnetball1@gmail.com
- Those aged 12 years and over are encouraged to undertake the basic umpire training course provided by CDNA.

BBQ Duty (Covid Pending)

- Every club has a BBQ duty day during the season. Tibro's BBQ duty day has been scheduled for the Saturday, July 24th, 2021.
- BBQ Duty day responsibilities include purchase of stock, set up and pack down of BBQ area; gazebos, BBQ/gas and tables, cooking and selling BBQ items (Bacon & Egg Rolls, Sausage in Bread) and host the bake sale stand.
- BBQ duty day is also a great opportunity to fundraise for our club. Your help on this day is appreciated! A roster, per team, will be provided to your team manager closer to the day.
- Tibro's Netball Club will also be required to have a group of volunteers at the Canteen on Caloundra Carnival day.

CDNA REPRESENTATIVE NETBALL

- CDNA representative trials are held in the early new year.
- CDNA typically holds a player development program prior to trials for girls looking to join in U12s.
- Further details can be found on the CDNA webpage or Facebook page.

CLUB ROLES AND RESPONSIBILITIES

The Committee

- It is the committee's responsibility to govern the club and ensure a safe, inclusive, and fair play environment for children to play grassroots netball. Details of current Committee Members and their contact details can be found in the front of this booklet, on our webpage and Facebook page.

Players

- Tibro's Players shall, to the best of their ability, uphold the Tibro's Code of Conduct (see page 10 and full code of conduct document on our webpage), and must maintain a standard of behavior and conduct that is in the best interests of the game.
- Tibro's is an inclusive environment free from bullying and harassment allowing all players to participate in the game of Netball in a fair and inclusive environment.
- Each team will have a nominated team captain for each game. It is the captain's responsibility to call timeout if a player is injured, to speak to the umpire respectfully on behalf of the team if there is an issue during the game.
- ON GAME DAY arrive 30 minutes prior to your game time to allow sufficient time to warm up together as a team. Bring a full water bottle. If playing outside, ensure you have sunscreen on, and a club visor is recommended. All jewelry should be removed, and nails trimmed prior to arrival.
- Players must be registered in LIVE SCORE prior to taking part in any Netball match.

Coaches

- In accordance with the CDNA Coach Accreditation Policy all Coaches must have a minimum current Foundation Netball Queensland Coaching Accreditation to coach.
- Tibro's Coaches shall uphold the Coaches Code of Conduct and must maintain a standard of behavior and conduct that is in the best interests of the game and the players in their care.
- Coaches are not permitted to enter the court of play while any match is in progress and must remain in the designated Team Bench area at all times, other than during the breaks.
- Coaches are not permitted to approach, abuse, or question the decision of the umpire. In the event of concerns over the umpire's management of a match or their behavior a CDNA Umpire Supervisor may be requested. The Supervisors can be located at the front desk.
- It is the coach's responsibility to maintain team discipline and to instruct the players to play within the rules and spirit of the game at all times.
- Be reasonable in your demands on players' time, energy and enthusiasm.
- Teach and explain the rules of the sport.
- Avoid over-playing the talented players. The "just average" players need and deserve equal time.
- Remember children participate for the fun and enjoyment and that winning is only part of their motivation
- Ensure equipment and facilities meet safety standards.
- Develop team respect for the ability of opponents as well as for the judgement of officials and opposing coaches.
- Follow the advice of a physician when determining when an injured player is ready to recommence training or competition.
- Make a personal commitment to keep yourself informed of sound coaching principles and principles of growth and development of children.
- Avoid use of derogatory and abusive language.

Every year we need to fill coaching positions for around 11 teams. If you are interested in coaching please make sure to indicate this during the registration process. Parents and players are encouraged to register as coaches. There will be training and lots of support during the season. If you have any questions regarding coaching, please contact our Coaching Convenor, Paula Byford.

Team Manager

- Every team needs a Team Manager (parent volunteer). Team Managers arrange the distribution of club information to team players/parents. The Team Manager is also responsible for the management of all rosters around parent assistance with scoring, and other activities requiring parent volunteers; i.e. BBQ duty etc.
- Team Managers from time to time will be asked to collect funds from their players for team photos, carnivals, raffles etc. Once all members are marked off, team funds can then be passed onto the treasurer or president.
- Team Managers are not permitted to enter the court of play while any match is in progress, they must remain behind the yellow line and are not permitted to approach or question the decision of the umpire at any time.
- Team Managers require a Blue Card.

Parent/Guardian

- One of the key factors in the success of a netball club is the willingness of players, parents/guardians and supports to get involved and strengthen the Club.
- Parents/Guardians and spectators are encouraged to support club functions, assist with fundraising and sponsorship, encourage all players and teams and where appropriate assist with Coaching, Team Management, Scoring and Umpiring duties.
- All parents/guardians/spectators of players registered with CDNA and Tibro's Netball Club are expected to adhere to the Codes of Conduct as outlined on page 10 and on our website. Please read these codes carefully.
- Parents are welcome and encouraged to attend games and cheer on their child and their team. However, please refrain from coaching from the sidelines or during the break. This is not only confusing for the players but can be seen as disrespectful of the coach.
- Remember CDNA and Tibro's Netball Club are run by volunteers, who give their time freely to ensure your child has the opportunity to participate in this sport.

GENERAL INFORMATION

It is the responsibility of each parent/player to keep themselves informed of game dates and times on a weekly basis. Occasionally changes are made to game schedules, and generally your team coach/manager will advise you via Facebook group message, email or text, but it is also advised to check the CDNA website each Friday prior to the game (click on 'Fixtures' tab / 'Fixtures & Results' / choose 'Grade' / 'Download this fixture').

We are a volunteer-based club. For the Club to function successfully, input from parents, friends and families is required. Your involvement and support is welcomed and may include your time, knowledge, sponsorship or other support to a team or the club. Your suggestions for development and improvement of our Club are encouraged and can be communicated to the Management Committee.

☆Photo's may be taken from time to time, for use on our social media and/or webpage. Please contact Tibro's via email if your child needs to be exempt from publications.

CODES OF CONDUCT

- It is important for all players, parents, and supporters of Tibro's Netball Club to understand our Codes of Conduct. Our Codes of Conduct are in place to protect and support our players, coaches, managers, umpires and all members of our club and the association. We appreciate you taking the time to read and understand the below.
- Tibro's Netball Club follows the Codes of Conduct set out by our governing bodies, CDNA and Netball Queensland.

Players Code of Conduct

- **PLAY BY THE RULES AT ALL TIMES.**
- **NEVER ARGUE WITH GAME OFFICIALS.** If you disagree with or are unclear on a decision, have your captain, coach or team manager approach the office during a break or after the game to seek clarification. Make sure you know what the rules are because often not knowing the correct or current rules can cause frustration and unrest.
- **SHOW RESPECT FOR YOUR COACH.** All coaches freely volunteer their time to assist players to develop their netball skills. Without them there would be no team.
- **BE A GOOD SPORT AT ALL TIMES.** Applaud all good play whether it is a by your team or the opposition. Work equally hard for yourself and your team. Your team's performance will benefit and so will you.
- **SOCIAL MEDIA - BE MINDFUL OF OTHERS AND POSSIBLE LEGAL RAMIFICATIONS;** be positive and treat all with dignity and respect, under NO circumstances use social media to create, incite, or sustain conflict, or to bring your Netball Club or the game of Netball into disrepute.
- **DO NOT INTERFERE WITH, INTIMIDATE, BULLY OR TAKE UNFAIR ADVANTAGE OF ANY OTHER PLAYER.** Treat all players with respect.

I have read the Players Code of Conduct and understand that any breach of the code may result in but is not limited to:

- a) A written warning, or
- b) Dismissal from the club

Parents and Spectators Code of Conduct

- **SHOW RESPECT FOR ALL COACHES AND CLUB OFFICIALS.** Remember that all positions are unpaid and the club would not exist without our volunteers. Abuse or intimidation will not be tolerated from players, parents or spectators. Parents are expected to model the behaviour we want of our players.
- **NEVER ARGUE WITH A GAME OFFICIAL.** This is not acceptable behaviour at a game and not the example we want to set for our players. If you have any concerns or questions, please raise these with the coach or team manager after the game.
- **ENCOURAGE PLAYERS** to always participate according to the rules.
- **NEVER RIDICULE OR ABUSE ANY PLAYER,** particularly for making a mistake or losing a game.
- **SOCIAL MEDIA - BE MINDFUL OF OTHERS AND POSSIBLE LEGAL RAMIFICATIONS;** be positive and treat all with dignity and respect, under NO circumstances use social media to create, incite, or sustain conflict, or to bring your Netball Club or the game of Netball into disrepute.
- **MODEL APPROPRIATE BEHAVIOUR TO ALL.** Applaud good plays by all players and encourage all players. Children learn best from examples and remember that children are involved in the sport for their enjoyment, not yours. **FOCUS ON EFFORTS AND PARTICIPATION** rather than the outcome and teach children that an honest effort is as important as a victory. This will assist in setting goals related to ability, by reducing undue disappointment and the emphasis on winning.
- If children are interested, encourage them to participate. If they're not willing or not interested, don't force them or they may never learn to enjoy the game.

I have read the Parent's Code of Conduct and understand that any breach of the code may result in but is not limited to:

- a) A written warning, or
- b) A ban on my attendance at training sessions and/or games, or
- c) My child being dismissed from the Club.

Any such actions will be at the discretion of the Executive Committee of the Tibor's Netball Club, and in the event of dismissal there will not be any reimbursement of membership fees.

Tibro's Netball Club would like to thank our 2020 Team Sponsors for sticking by us during these unprecedented times, we are forever grateful for their support.

We encourage our members to continue to support them with your patronage.

NETBALL TEAM POSITIONS

A complete team in netball consists of one player in each of the seven player positions.

 = Blue Team.
 = Red Team.

Goal Shooter (GS):

The GS's main job is simply to score goals.

They are only allowed in the attacking third and the goal circle.

The GS must have sharp shooting skills, react quickly, dealing with passes and rebounds.

Goal Attack (GA):

The GA's primary role is scoring and setting up goals.

They play in the centre third, attacking third and the goal circle only.

Their main duty is to feed the ball to the GS so they can fire the ball into the net close to the post.

The GA must have both strong passing and shooting skills.

Wing Attack (WA):

The WA is one of the key playmakers of the netball court.

It is their job to create as many goal scoring chances as possible by passing the ball to the shooters.

The WA can move in the attacking and centre thirds but nowhere else.

The WA must have solid passing and collecting skills, good footwork and the ability to open up space on the court.

Centre (C):

C's are able to move in the whole court, except for the goal circles.

They must help out in defence and attack.

They are mainly relied upon to shift the ball away from the defensive area into attack.

C's also restart the game each time a goal has been scored.

They do this by making a pass from the centre circle.

The C is the engine of the team, so they must be quick and creative with their passing.

Wing Defence (WD):

The WD can go into the centre and defensive thirds only.

Their main job is to stop the ball reaching the opposition's goal circle.

They must intercept passes and feed them back to the attacking areas.

The WD must be focused and good at controlling the ball.

Goal Defence (GD):

The GD patrols the defensive third, the goal circle and the centre third.

Their main job is to stop the opposition from scoring and to get the ball out of the danger area!

They must have good skills of anticipation so they can block passes and get the ball out to their own attacking players.

Goal Keeper (GK):

The GK is the last line of defence and fiercely protects their goal post.

They guard the goal circle and the defensive third and must stop the GS from scoring.

They must stay alert so they can collect rebounds off the post and intercept passes.

GK's are also responsible for taking throw-ins from the goal-line.

PLEASE REMEMBER

CHEER FOR ALL THE PLAYERS

RESPECT THE UMPIRES
